About the Facilitators

Janine Romaner, ND, is a naturopathic doctor of nearly 22 years, practicing in Woodstock, GA. She is a founding member of the Shadow Work® Guild, is a certified Shadow Work® facilitator, trainer and mentor, and is a co-founder of the international organization Women in Power. Janine has traveled throughout North America, southern Africa, Britain and Australia lecturing, training and leading seminars. She is regularly featured on radio health shows, has authored and been featured in many articles. "I love assisting people to release unwanted residue or trauma from the past, & experience enrichment of the soul through

healthy interaction." www.naturallyhealthy.ws

John Miller is a Certified Shadow Work® Facilitator involved in personal growth work since 1995. He is a seasoned facilitator and trainer with over 90 workshops of experience. He has studied many facilitation methodologies, including Voice Dialogue, Focusing, Neuro-Linguistic Programming and the Enneagram. As a Certified Co-Leader in The ManKind Project, he served as Center Director for the Greater Carolinas ManKind Project Community. "My mission is to co-create a world where everyone reaches their true potential by guiding them to the Gold within their Shadows."
